

Please evaluate the laws you changed allowing Clear Channel to buy up such an obscene amount of radio stations. They clearly control radio in the US now, and play what benefits \*them\*, not the people who are listening. Everyone I talk to says radio stations now play the same 40 pop or country or rock songs over and over...no matter what state you're in. This is easily resolved by limiting the amount of stations one group can own. PLEASE do so this year. Thank you for your time in regard to this matter,
